We will meet the 2nd Friday of every month at 7:00 pm at IRSC –3209 Virginia Ave. Bldg. Y, Room 125— Southside of Campus. Then the Saturday 1 week later than meeting same location @ 9:00 AM

Presidents Letter

Dear Fellow Woodturners,

As we are coming into November it is the start of a busy season for us. We will have our general meeting on November 11th at 7:00pm in the I.R.S.C. facility, building “Y” Room 125. Do not forget to bring your latest creations for “Show & Tell”. We will have a short demonstration and a general business meeting. Remember to bring your “Snowman” challenge. We will be looking forward to seeing your creations.

On Saturday the 19th we will be having our Saturday meeting at 9:00am with a demonstration to be announced. Then we will start the “Heathcote Garden of Lights” on Friday November 25th, which will run thru December 31st, each Friday and Saturday night from 4:00pm to 9:00pm for the next six weeks. This is the time that we should be making Christmas ornaments and other gifts. We have a history of great sales and turning a lot of tops for the kids. It is fun for all. Set up will be at 3:30pm on Friday the 25th.

The next event we will have will be a one day show on Saturday November 26th just after Thanksgiving on the I.R.S.C. Campus to demonstrate our craft and wares. This will be a quick one day show to show our talent of woodturning to the public. (More to come on this show)

We had a good two-day event on October 15th & 16th at the “Heathcote Fall plant sale”. Several sales were made and lots of fun was had by all who helped to make it a success. However, one of our lathes did have heart failure when the switch and main board blew up. Not to worry we have ordered new parts ordered and it should be back in action soon. Thank you to all our stalwart members who showed up to help make it a successful event. We could not do these things with out member participation.

Looking forward to seeing all soon.

Happy turning!

Bob

TWC Member Meeting Minutes
October 14, 2022

The meeting was called to order by President Bob Haarer at 7:05 pm.

Bob identified Jack as the demonstrator – standing in for Bob Ashley, for this meeting. The subject is how to turn a snowman decoration.

Bob reported that he had purchased three steb centers, an adaptor for 1 ¼ to 1 1/8 spindle, centerfinders, three visors and two chucks. The chucks were an inexpensive buy that Bob is happy to order for club members.

October 15 will be a Heathcote event and the club will set up at 8:00.

The December club challenge is a Snowman ornament. Other ornaments might include Christmas trees on multiple axis.

The club members presented their work at the Show-N-Tell.

Howard presented the Bring-back that was won by Ron.

The meeting was adjourned at 8:25

Attendees: 17

Recording Secretary—John Hart

Inventory List

1 - JET Lathe 16 X 42
1 - Jet Lathe 14 X 40
3 - Jet Lathe 12 X 20
1 - 8" tool grinder w/stand
