We will meet the 2nd Friday of every month at 7:00 pm at IRSC –3209 Virginia Ave. Bldg. Y, Room 125— Southside of Campus. Then the Saturday 1 week later than meeting same location @ 9:00 AM

December 2022

Presidents Letter

Dear Fellow Woodturners,

As we are coming into December it is the start of a busy season for us. We will have our general meeting on December 9th at 7:00pm at Heathcote Garden of Lights Do not forget to bring your latest creations for “Show & Tell”. We will have a short general business meeting.

On Saturday the 17th we will be having our Saturday meeting at 9:00am with a demonstration to be announced and will have a “hands-on” time for anyone who wants to have help with a project or how to use a new tool or having a problem with how to control a tool.

We are doing the “Heathcote Garden of Lights” on Friday November 25th, which will run thru December 31st, each Friday and Saturday night from 5:00pm to 9:00pm for the next six weeks. This is the time that we should be making Christmas ornaments and other gifts. We have a history of great sales and turning a lot of tops for the kids. It is fun for all.

We had a good first two days at the “Heathcote Garden of Lights” on November 25th & 26th Several sales were made and lots of fun was had by all who helped to make it a success. Thank you to all of our stalwart members who showed up to help make it a successful event. We could not do these things without member participation. We are looking forward to the next five weeks, lots of sale's , tops and fun.

Remember it is dues time, all of \$30.00, cash or check.

Looking forward to seeing all soon. Happy Turning, Bob

***TWC Member Meeting Minutes
November 11, 2022***

The meeting was called to order by President Bob Haarer at 7:05 pm.

Three visitors were in attendance. Bob identified Bob Ashley as the demonstrator for this meeting. The subject is how to turn a hollow ornament.

Bob announced that due to mis-communication, the IRSC Arts and Crafts Fair was the preceding Saturday, so the club will have to wait until next year to participate. He then announced the following;

The Garden of Lights at Heathcote starts Friday Dec 2 at 4:00 til 9:00 and the club will set up each day of the 6 week program through Dec 30.

He is repairing the 1221 lathe and he has ordered bearings for the other two lathes.

The Florida Woodturning Symposium will be in Lakeland Feb 3 - 5.

The club will participate with the Martin County Fair Feb 10 - 18.

The club will participate with the St. Lucie County Fair last week of February through first week of March.

The date of the Stuart Recycle event is to be investigated by Bob Ashley.

Jack announced that there are some rosewood trees available near the Palm Coast if anyone is interested, he has contact info.

Bob asked what the club wanted to have demonstrated for the next hands-on meeting. No subjects were agreed-upon.

Dues are due for next year. With no treasurer, it is unclear who will collect the dues.

Bob Ashley made a motion to substitute a Zoom meeting for the current general meetings on Friday. The subject was discussed and the motion tabled.

It was noted that three of the original founding members of the club were in attendance - Jack, Lou and Dave.

When questioned by a member regarding upcoming classes by the club, Bob said the subject would be addressed at an upcoming Board meeting, maybe in December.

Bob Ashley then did a demo on hollowing for an ornament. That is the December challenge.

The club members presented their work at the Show-N-Tell.

Howard presented the Bring-back that was won by Ron.

The meeting was adjourned at 8:25
