### *Presidents Letter*

Dear Fellow Woodturners,

We have had an exciting December with the Heathcote Garden of lights. We did six weeks of Friday and Saturday for the first four weeks and then Thursday and Friday for Christmas and New Year's week.

We were able to turn almost 840 of our special spin tops for kids and sold over 700 raffle tickets and give away 12 beautiful pieces of our wood art. Everyone who displayed their work sold at least one piece and some several pieces. Fun was had by all.

I have to give a special thanks to each and everyone who gave of their time and came out to help either set up or break down for each night we were there. Each and everyone gave unselfishly to make the event a successful one. Some of you who had been reluctant to turn tops jumped in and found out how much fun it is to see how much the kids like to get tops.

We will have our regular meeting on Friday the 13<sup>th</sup> at 7:00pm at the I.R.S.C. campus where I hope several new people will show up. A lot of interest was shown at Heathcote. Do not forget to bring your latest creation for "Show and Tell". On Saturday the 21<sup>st</sup> at 9:00am we will meet for a short Demo and then do hands on time for anyone who wants help with anything woodturning related. So bring your problems or newest project for HELP.

Coming up we need to plan the Stuart Fair and the St Lucie Fair. February will be a busy month.

I hope this message finds all members well and looking forward to the new year and lots of turning.

Bob

**Treasure Coast Woodturners Guild Meeting**

The meeting was called to order by President Bob Haarer at 7:05 pm.

Following a Pledge of Allegiance, Bob announced that the purpose of the meeting was to show where the club originally met in the Pioneer House at Heathcote Gardens.

Bob announced that the club was turning 50 to 80 tops each night and that there had been some sales by club members.

When questioned about where to send dues, Bob said to send checks to his home address. He then announced that the Hands-On meeting would be held as normally scheduled at IRSC. He did not have a subject for the demonstration.

The meeting was adjourned at 7:10. This was probably the shortest meeting in club history.

Attendees: 11
