February 2023

Hello Fellow Turners,

We are entering our most active time of the year. February 10th starts the Martin County Fair which runs thru Feb 18th. That will mean that we will have set up for Martin County Fair on Feb. 9th. We will meet at Jimmy Porter's DO-JO as last year. As last year we should be getting Martin County Fair tickets for members to get into the Fair to work our booth to sell wears and turn tops.

We will also be doing the St. Lucie County Fair which is from Feb. 24th and runs thru March 5th. This means that we will be setting up on Feb.23rd. The St. Lucie County Fair committee will be meeting on Jan.24th, and we will be able to go out to the Fair office to get our pass badges sometime after that. Each person who will be working at the St. Lucie County Fair will have to have a badge to come in the back gate.

On Jan. 13th we had our regular meeting at I.R.S.C. and had six visitors some of them showed interest in becoming members. See the Secretary's minutes for information of what we did. We will have our Demo/ Hands on meeting on Jan. 21st at 9:00am at I.R.S.C. We will again be covering Box turning and helping with that and other turning problems that you may have.

Our next regular meeting for February on the 8th and will be held at Jack Shelton's shop at 7903 Indian River Dr. Ft. Pierce. Meeting time will be at 4:00pm. We will be covering "FAIR" plans. We will not have our Demo/Hands On meeting Saturday Feb.16th due to the Mattin Co. Fair on that date.

We will be having an election of officers for 2023. If you wish to run for any one of the positions, please announce it at the beginning of the meeting so you can be put on the slate. Again, please see the Secretary's minutes for the list of candidates put forth by the Board of Directors.

Thank you to all members who participate in our activities.

***TWC Member Meeting Minutes
January 13, 2023***

The meeting was called to order by President Bob Haarer at 7:05 pm.

Following a Pledge of Allegiance, Bob announced that he was collecting dues. He had no VP or Treasurer's reports. When he asked if all members received the newsletter, several indicated that they had not. Bob Ashley asked those members to contact him in order to confirm the e-mail addresses that the club used to promulgate the newsletter.

A motion was made and seconded to accept the December meeting minutes. The motion was approved.

Bob recapped the recent Heathcote event. He thanked all members who attended and helped with the club participation over the six weeks of the event. Approximately 800 tops were made and given out, over \$700 was taken in for the raffle and many items for sale were purchased by event attendees.

Bob then listed a series of events coming up:

The Florida Woodturning Symposium – Feb 3 through 5, starting the morning of the 3rd in Lakeland.

Martin County Fair – starting Feb 10 through 18. Jimmy is coordinating with county staff. Bob made a motion that the club participate and the motion was approved.

St Lucie County Fair – starting Feb 24 through Mar 5. Bob will find out about passes to club attendees.

Bob Ashley reminded all that we are participating in the Stuart Water Fest on March 25th from 10:00am to 2:00PM—location is 300 SE Ocean Blvd & Georgia Avenue, Stuart, FL 34994

Fred commented that the club needs more participation in the production of work to be raffled off. He and a few others have been the major contributors. Bob agreed. There was a short discussion regarding a two-tiered raffle, with daily items raffled for \$1 and more distinctive items raffled for \$5. A motion was made to only raffle items for daily \$1 tickets and the motion was approved.

With February so busy, the club will hold it's general meeting at Jack's house on Weds Feb 8 at 4:00.

Bob announced that the club had not held an election since 2018 and was bound by the by-laws to hold annual elections. He complained that nobody had stepped forward to volunteer. Jack proposed a special meeting of the Board to prepare a slate of nominees to be held following the general meeting.

Visitors were welcomed. There were six people in attendance and several indicated an interest in joining the club.

Bob Ashley proceeded to demonstrate how to turn a box with a handout distributed by Bob Haarer.

The Show-N-Tell followed the demo and numerous items were displayed.

The meeting was adjourned at 8:30.
