We will meet the 2nd Friday of every month at 7:00 pm at IRSC -3209 Virginia Ave. Bldg. Y, Room 125— Southside of Campus. Then the Saturday 1 week later than meeting same location @ 9:00 AM

May 2023

Hello Fellow Turners,

At our April meeting we discussed our participation at the Stuart Waterfest. There were a couple of sales and a goodly number of tops made. We did not have a raffle for this one and if we do it again next year, we will have a raffle. The setup was good as we had a covered area next to our canopy that we used for display.

Our treasurer Steve Lasher is in the process of updating the roster and reported that we had more than \$5,000.00 in our account. A discussion was held about the purchase of new lathes, and it was decided that we would purchase two new JET 12 x 21 lathes. They have been ordered.

The club sold the 14" reaves drive JET lathe that was donated to the club for \$1,100.00 and the antique Treadle lathe that was being stored at Heathcote was sold for \$400.00. That money will go toward the new lathes.

The Board, after a review of the Club's By-Laws, recommend that the club elect a second Vice president who "shall be the Chairperson of the Programs Committee". As such the 2nd Vice president shall be responsible for scheduling programs for general meetings and such other events as decided by the Board of Directors. Ron Augustyne was nominated for the position and elected by a vote of the members present.

The members passed a motion that we purchase an audio unit for use by the president and demonstrators. We announced that we plan to hold a "Beginners Class" In June limited to six people who signed up.

The Demo of how to make duplicates was done by Jack. We had "show and Tell" and adjournment. On Saturday April 22nd, we had a demo by Bob Ashley of how to make a sphere two ways. We then had a Q & A with the members present on various turning subjects

Hope to see you all at the May meeting on the 12th.

Bob

***TWC Member Meeting Minutes
March 10, 2023***

The meeting was called to order by President Bob Haarer at 7:10 pm.

Following a Pledge of Allegiance, Bob welcomed six visitors. They were Sam, Yevs, Tim, Michael, David and Julie.

There was no Vice President's report.

The Treasurer reported a balance of \$4,488.58 in the club treasury. In the past month deposits from membership was \$180. Raffle income from St Lucy Co Fair was \$943 and from Martin Co Fair \$448. The Treasurer then distributed membership applications to all present so that he could update the roster with current data.

Bob then commented on the successful club participation at the two county fairs, turning 500 tops at the Martin Co Fair and 1200 tops for kids at the St Lucie Co Fair and thanked all the members who donated work for the daily raffles.

The next meeting will be Saturday March 18 at 9:00 am. There will be time for members to get hands-on time with lathes and there will be a demonstration of "something special".

Bob reminded the club that on March 25 the club will participate in Waterfest 2023 in Stuart at Memorial Park on Ocean Avenue. Setup will commence at 8:00 am. The event will commence at 10:00 am and close at 2:00 pm. The club will be provided with one tent and has permission to bring additional tents.

Bob then read the roster to check if members had paid 2023 dues.

Bob then provided a demonstration of a long-stemmed goblet. The demo started at 7:35 and finished at 8:05.

Show and tell was well attended and numerous items were displayed.

The meeting was adjourned at 8:30

Attendees: 23
