Old Business

Report by Treasurer: Current balance is \$3,858.33.

Bob Ashley indicated that he will be purchasing tools for the club to use in hands-on and classes.

A motion was made to accept the minutes of the June meeting as published in the July newsletter. The motion was seconded and unanimously accepted.

New Business

The Board will hold its August meeting next month on a date to be determined.

The beginner's class will be held in August. There were numerous requests to attend. If necessary, the class will have two shifts. Bob will announce the dates and times of the classes via email to all the instructors and students. The end products of the class will be a new bowl gouge with a handle turned by the students and a simple bowl. The class will emphasize safe practices, and proper tool handling.

Bob Haarer announced that the club will participate in the Autumn Heathcote Garden sale and then the Garden of Lights for six weekends in November and December.

Bob then announced that the long-anticipated drawing for a substantial tool for all persons who have contributed work for the club raffles will be held at the August general meeting. He encouraged everyone to bring donations to the meeting. All persons will get one raffle ticket for each item, including items previously donated since the beginning of the year.

The Hands-on meeting will be Saturday July 22.

The Show and Tell had numerous participants including several who turned thin stemmed objects.

Bob Ashley demonstrated how to turn a "bowl in a bowl". He announced that the challenge for next month's meeting would be a shallow bowl or platter.

The meeting was adjourned at 8:20
