November 2023

Hello fellow woodturners,

We had our meeting at IRSC on Nov 9th. We discussed our upcoming plans for Heathcote Garden of lights. There was a question about how we can comply with the rules of the raffles since the raffles should be free to comply. We can offer the tickets for free and ask if they want to help support our efforts with a donation.

A demonstration of how to turn a finial for ornaments tops or for hollowed vessels. Then demonstrated making round ball for ornaments.

We had Show & Tell with several beautiful items created by our members.

Vice President Bob Ashley will cover the Saturday hands on. I hope to be back for Heathcote setup on the 24th.

Happy Turning,

Bob

Call to order at 7:05

President Bob Haarer led the Pledge of Allegiance. This was followed by a recognition of a visitor named John Anderson, a woodworker living in the area and curious about the club.

Bob then acknowledged that he was too busy to send out a newsletter which would have included minutes for the October meeting. He asked John Hart to summarize the October minutes, which he did. Bob then made a motion to accept the Secretary's verbal report as accepted minutes. The motion was passed.

Bob then commented on the Heathcote sale, noting that the different location was not as successful for the club as our prior location and that he would speak to the Heathcote personnel to see if we could reclaim the old location for future events. Approximately 100 tops were turned and a few items were sold.

Bob noted that there was no Treasurer's report and that the Vice President was absent and the meeting was not as well attended as prior meetings. He also indicated that he has money paid to the club that should be turned over to the Treasurer.

Bob shared the news that a final repair part for the Jet 1221 had arrived and that the lathe should soon be operational.

The Hands-on session is scheduled for Saturday Nov 18. The theme is to be "whatever" ornaments to sell at Heathcote during the garden of lights weekends.

Bob Haarer asked if anyone had any questions or comments. John Hart commented that he had send a note to the Board. questioning whether the raffle of wood items at the various events was in compliance with state law. Bob indicated that he felt the club was in compliance but could not confirm that impression. He said he would call a Board meeting to investigate this situation. Mr. Hart recommended that the club abstain from any further raffles until the matter was settled and Bob agreed.

The demo was done by Bob Haarer – Making finials and how to turn a sphere for a Christmas ornament. The demo started at 7:20 and concluded at 8:05.

The Show and Tell had numerous participants with a variety of objects.

The meeting was adjourned at 8:40

849.0935 Charitable, nonprofit organizations; drawings by chance; required disclosures; unlawful acts and practices; penalties.—

(1) As used in this section, the term:

(a) “Drawing by chance,” “drawing,” or “raffle” means an enterprise in which, from the entries submitted by the public to the organization conducting the drawing, one or more entries are selected by chance to win a prize. The term “drawing” does not include those enterprises, commonly known as “game promotions,” as defined by s. 849.094, “matching,” “instant winner,” or “preselected sweepstakes,” which involve the distribution of winning numbers, previously designated as such, to the public.

(b) “Organization” means an organization which is exempt from federal income taxation pursuant to 26 U.S.C. s. 501(c)(3), (4), (7), (8), (10), or (19), and which has a current determination letter from the Internal Revenue Service, and its bona fide members or officers.

(2) Section 849.09 does not prohibit an organization from conducting drawings by chance pursuant to the authority granted by this section, if the organization has complied with all applicable provisions of chapter 496 and this section.

(3) All brochures, advertisements, notices, tickets, or entry blanks used in connection with a drawing by chance shall conspicuously disclose:

- (a) The rules governing the conduct and operation of the drawing.
- (b) The full name of the organization and its principal place of business.
- (c) The source of the funds used to award cash prizes or to purchase prizes.
- (d) The date, hour, and place where the winner will be chosen and the prizes will be awarded, unless the brochures, advertisements, notices, tickets, or entry blanks are not offered to the public more than 3 days prior to the drawing.
- (e) That no purchase or contribution is necessary.

(4) It is unlawful for any organization that, pursuant to the authority granted by this section, promotes, operates, or conducts a drawing by chance:

(a) To design, engage in, promote, or conduct any drawing in which the winner is predetermined by means of matching, instant win, or preselected sweepstakes or otherwise or in which the selection of the winners is in any way rigged;

(b) To require an entry fee, donation, substantial consideration, payment, proof of purchase, or contribution as a condition of entering the drawing or of being selected to win a prize. However, this paragraph does not prohibit an organization from suggesting a minimum donation or from including a statement of such suggested minimum donation on any printed material used in connection with the fundraising event or drawing;

(c) To condition the drawing on a minimum number of tickets having been disbursed to contributors or on a minimum amount of contributions having been received;

(d) To arbitrarily remove, disqualify, disallow, or reject any entry or to discriminate in any manner between entrants who gave contributions to the organization and those who did not give such contributions;

(e) To fail to promptly notify, at the address set forth on the entry blank, any person whose entry is selected to win of the fact that he or she won;

(f) To fail to award all prizes offered;

(g) To print, publish, or circulate literature or advertising material used in connection with the drawing which is false, deceptive, or misleading;

(h) To cancel a drawing; or

(i) To condition the acquisition or giveaway of any prize upon the receipt of voluntary donations or contributions.

(5) The organization conducting the drawing may limit the number of tickets distributed to each drawing entrant.

(6) A violation of this section is a deceptive and unfair trade practice.
