

TREASURE COAST WOODTURNERS GUILD

The Treasure Coast Woodturners Guild started here on the Treasure Coast in 2004. We are a group of enthusiasts who enjoy turning many types of wood into bowls, platters, vases, pens, and many more functional as well as art pieces. The Guild is a chapter of the American Association of Woodturners (AAW), a national organization for the hobbyist as well as the serious turner. Benefits include: symposiums, magazine, internet access to free videos, information/classes/tips, etc. *Most of our members are also AAW members and we encourage all to join.*

The purpose of the Guild is to help members share and improve their skills in woodturning and finishing. We welcome new and experienced Woodturners of all ages. We offer classes to provide hands-on instruction for beginners and at our meetings we conduct demonstrations to help all improve their skills.

WHERE DO WE PROCURE OUR WOOD??

The guild recycles and repurposes many different kinds of Florida woods. The majority of the wood we turn comes from sites where trees have been trimmed or removed including that pile of vegetation debris in front of your homes. South Florida has an abundance of very beautiful and exotic trees and when some of these trees have to be removed we would like to recycle them into beautiful turned objects.

You may call our president BOB ASHLEY 772-530-6300 (c) or our past president, BOB HAARER 772-708-2509 (c) between the hours of 9AM-6PM and report or ask about found wood. Please note we do **not** do tree removal, we just make use of those that are cut down. Thanks for helping us recycle and repurpose one of our most precious resources.

WANT TO JOIN US AT ONE OF OUR MONTHLY MEETINGS??

We meet on the 2nd Thursday of each month at 7PM at the Fort Pierce Indian River State College Campus, The Brown Center For Innovation & Entrepreneurship (Building Y) in Fort Pierce. From the south of IRSC Campus (Fort Pierce or P.S.L.) take 25th Street north to Cortez St. and turn left at the light to South 35th St. The building and parking lot are NE of this intersection. If coming from the north of IRSC Campus (Fort Pierce or Vero) take Virginia Ave. to South 35th Street and turn south into the campus area to the last building on the left. Entry will be on the south side of the building.
