### *TCWG Presidents Letter*

*July 2024*

Fellow woodturners

**Hello everyone. I hope this letter finds you all in good health and spirits. It was an exciting month. We completed our beginners class. 4 students. I believe every student learned the basics of our tradecraft. Equipment, safety and tool usage were covered. Each student was able to make things round. A tool handle, platter and bowl were covered. We will offer the next series of classes this fall. I hope more of you will join us. We held our luncheon. About thirty people attended. Thank you everyone for coming out, providing covered dishes and some awesome company. I hope everyone took advantage of the time in order to get to know each other a bit better. The college is a great place to hold this event. I would like to do it again in January so that our snowbirds can participate too. The shirts have been ordered. I will bring them to the August meeting. Katy Berkowitz has retired from the medical field and moved to Ohio. She will be missed. That's all for today,**

**See you Thursday the 8th.**

Respectfully

*Bob Ashley*

### *TCWG General Meeting Minutes*

*July 2024*

Meeting started at 7:00 with a Pledge of Allegiance led by Bob Ashley

Bob made a motion to accept the minutes of the June meeting as recorded in the July Newsletter. It was seconded and the motion was passed.

The Treasurer reported that the club has a balance of \$3,850.33 and no current bills to be paid.

#### Old Business

Bob asked that all members who wish to order shirts to pay the Treasurer.

Bob then reported that four people had taken two of the Beginner's classes had been completed and that the Hands-on meeting would be cancelled to accommodate the remaining class sessions.

Bob then announced that the Club lunch would be held in the IRSC classroom where the club meets on 21 July from noon to 4pm. He asked that members send him an e-mail indicating the number of attendees for a head-count. He encouraged everyone to bring a side dish or dessert. The club will provide drinks and chicken.

A discussion regarding the monthly meeting and hands-on dates. A motion was made to hold general meetings on the second Thursday with hands-on on the following Saturday. The motion was seconded and passed.

#### New Business

There was a request that Bob send the club roster to all members. John Hart noted that it has been the policy not to disseminate that information so as to respect the privacy of the individuals and he explicitly requested that his information not be widely distributed – he gets plenty of spam and needs no more.

Bob announced that the title for the club trailer has been properly transferred. He felt that insurance for the trailer was not necessary.

Bob noted that the club plans on participating at the Heathcote Fall Garden Festival on Oct 12 and 13. He commented that a second woodturning class might be considered and could be discussed at the August or September general meeting and that it might be for more advanced skills.

The demonstration was conducted by Bob Ashley from 7:25 to 8:00. The subject was how to turn a platter.

Show and tell had good turn-out.

The meeting adjourned at 8:30

### *TCWG Board Meeting Minutes*

*July 2024*

Meeting started at 9:30 by Bob Ashley. In attendance were Jack Shelton, Bob Haarar, Ed Stavish and Ron Augustyne. Topics were Heathcote, Collared Shirts, July Demonstration and Lathe accessories.

Heathcote:

Will happen on 12 and 13 October. We will load the lathes onto trucks the evening of the 11th just before our monthly meeting. We will meet at 9:00 AM on Friday the 12th to setup for the event. Further details will be provided in September.

Collared Shirts.

The order was provided to the supplier and we should get them before the September meeting.

July Demonstration.:

It was decided that the hollow vessel was too complicated and has been deferred to another day. We need to use a Saturday event in order to give the needed time. The 8th August meeting Demo will be a square box. The Saturday meeting on the 17th will be a continuation of this demonstration. Blanks will be provided for those that wish to try one.

Lathe Accessories.:

We need and will be purchasing five 60 degree live centers.

Meeting was adjourned at 10:30
