TCWG Presidents Letter

October 2024

Fellow woodturners

Hello everyone. Hope everyone got thru the hurricane unscathed. Heathcote was delayed two weeks. Thanks to all that could attend our combines meeting on the 19th. We held a board meeting. With Saturdays only being available going forward it was suggested we only have one meeting a month. It would be the 2nd Saturday of the month and we can vote on the idea at the November meeting. The next demo will be a square box. Although I would like to change it to a demonstration on the various ways to hollow out a bowl. Nominations for the next years officers will occur. Thanks to all that helped set up Heathcote. I will be taking photos for the next newsletter. I have a new product for finishing pieces that I want to show you all. It is an ultra violet activated finish. The folks at Heathcote said they only want the donation pieces for the garden of lights event. Thanks to everyone that donated little trees. Happy Halloween everyone. Did anyone make wooden pumpkins?? A few of you had pieces accepted in the Backus show. Can you bring them to our next meeting.

Respectfully

Bob Ashley

Call to order / Pledge of Allegiance at 9:00 AM

Recognition of visitors – No visitors

OFFICERS REPORTS:

Secretary's Minutes (distributed only to board members) – motion to accept made by Jack, seconded by Bob Haarer and passed.

Treasurer's Report:

Closing balance \$2,481.20

– No outstanding bills to be paid

OLD BUSINESS

Bob Haarer reported that he has not been able to contact county representatives regarding the Walton community center.

NEW BUSINESS

Bob Ashley announced that he planned to purchase live centers for all the club lathes because of bearing failures. Ed offered to install new bearings instead of buying new live centers.

Bob Ashley then explained that IRSC will not allow the club to use the classroom any weekday evenings, so we are now limited to weekend meetings. After some discussion, Steve made a motion to hold a single meeting per month on the second Saturday starting at 9:00 with a general meeting, followed by hands-on session that could last as long as necessary. John Hart seconded the motion and it was passed unanimously.

The club has agreed to provide Christmas tree ornaments for an event at Heathcote during the Festival of lights. The event will benefit special needs individuals. The number of ornaments requested is approximately 100. Members can obtain wood from Jack.

The Heathcote Fall Festival was rescheduled due to Hurricane Milton. The date is now Oct 26 and 27. Setup will be 9:30 Friday Oct 25.

Jack observed that the most recent maple purchase was Hard Maple. It is more difficult to cut and he recommended that in the future we purchase Soft Maple.

The next meeting will be 9 November.

Show and Tell had numerous beautiful works by members.

Bob Ashley demonstrated how to turn a Lightbulb.

The meeting adjourned at 10:30

2024 November Bi-Monthly Board Meeting Minutes

Meeting date: 29 October 2024

Called to order at 9 AM

Club Meetings: Due to conflicts at the college, we will only meet on the 2nd Saturday of each month at 0900. The general meeting will start at 0900. Business and show and tell is the order of business. Demo and hands on will follow.

St Lucie County Fair Conflict: The club meeting will occur on the 15 March vice 9th.

Calendar: The 2024 Callender is being updated. Special event dates will be added as they come up. Some of the usual demos like tops or christmas ornaments will be populated in their appropriate months. We will be adding video demos which will be viewed, discussed and critiqued for techniques needed to accomplish the piece. The other demonstrations will be items members can make and sell or teach more complex mechanics of wood turning.

Heathcote: Garden of lights starts right after Thanksgiving. An event schedule will be presented at the next meeting. Sign up sheets will be made available. Member participation at the plant sale was thin. We can't get through December without your help. 3 lathes will be taken out to the show.

Video Demos: I have a great Square Bowl video for the next meeting.

Meeting adjourned at 1030 AM
