Presidents Letter

May 2025

Fellow woodturners

Thank you for all for your participating in the club. Our Jet lathe was purchased by Rick Clevenger, Thank you Rick. Sumner Freeman is leaving woodturning. He will attend the next meeting to tell you all what he owns and wishes to sell. Set up and help him out. We have had an anonymous donation of \$10,000.00 to the club. The donor request he remain anonymous. If you know him, please keep it to yourself. The money has a stipulation. It is for the purchase of wood only. Ken Kirkbride has found a source for wood. We will sort this out at the next meeting.

Respectfully

Bob Ashley

TCWG Board Meeting

May 2025

Board Meeting

05/09/25

Meeting called to order by president Bob Ashley at 9:00am. In attendance: Bob Ashley, Bob Harr, Ron Augustyne, Ed Stavish, Conrad Stegner, Jack Shelton and Steve Lasher.

First comment was pointing out that all of the board members present are older than the Pope!! Nothing like a dose of reality to start a meeting.

Treasurers report: Bank balance \$1,807.91. One outstanding bill to pay will be to IRSC. Bob Ashley will have a discussion with the University to determine amount and time for payment. Previous rent charge was \$600.00 annually.

Topics of conversation:

Review of last training session. It was unanimously felt that 3 days is too short in order to comfortably present materials and future training sessions should be extended to 4 days.

Future sessions should include tool sharpening, possibly using a skew, sanding and finishing and incorporate carbide tools.

Tools available for any future classes or demonstration can be better insured by purchasing a container for each lathe and assigning to each particular machine. Each container should include spur drive, live tailstock center, chuck w/key.

A look to evaluate to determine if any tool purchases are necessary to complete each container will be conducted. We are currently short one chuck and Ed Stavish will donate one to the club.

Treasure Coast Woodturners Guild

TCWG Board Meeting

May 2025

It is agreed that we are offering for sale the large Jet lathe to the membership for \$1,500.00. If more than one member wishes to purchase the award will be decided by a drawing. If no member is interested we will go outside of the club to sell. (Steve's note; it was not discussed if offered outside of the club if it would be at the same \$ \$)

Heathcote Garden of lights is changing their open days from every Friday and Saturday beginning the weekend after Thanksgiving to Friday, Saturday and Sunday beginning not the weekend immediately after Thanksgiving but the following weekend. The board wants to continue to support Heathcote but recognizes the manning logistics. It was decided that a discussion with Heathcote will be made to discuss our intention to support their schedule to the best of our ability to man each evening with the addition of Sunday being possible Ad Hoc.

It was agreed that addition lathes will be set up this coming general meeting for use after the meeting is adjourned.

Meeting was adjourned at 12:05 pm.
