Presidents Letter

June 2025

Fellow woodturners

We had great attendance at our meeting on the 14th. So much to say so, I held a board meeting on the 19th. The highlights of that meeting were that the calendar will be adjusted as needed in order to best show you how to perform not only basic tasks but also some of the more complex turning techniques. It was decided that general membership participation in board meetings will not be allowed. I have deposited the donation. Our CPA will be back in December and advise us on how the best invest that money. Bring back will again be started. John Hart has kindly given us a piece to start things off. In order to participate you must show us a piece at the meeting during show and tell. The club challenge will be reinstated. We will decide on the first one at the July meeting. We will also decide on the frequency of a prize and the dollar limitations. Wood for tops will happen thru Ken K efforts. If you have questions on anything I've spoken about, please save them for our next meeting.

Respectfully

Bob Ashley
