Hello turners!

Last month, the club had our biggest hands-on workshop in a long while. We had 4 JET lathes and the Powermatic all going at the same time, and some lovely bowls were made

It felt like a return to the clubs roots, we're here because we enjoy woodturning, and a major goal is to teach woodturning to anyone interested. There's a lot that you learn from hands-on sessions that is difficult to learn from online tutorials or watching demos. The hands on is also way more fun! It seems like the third Saturday of the month is the day that works for most people, so we're tentatively aiming at that going forward. We're planning on a follow up of the bowl workshop, 10am at Project lift on August 15th, where people can turn the tenons off their bowls, sand and put finish on them.

Alternately, there's going to be an auction of some of Brian's larger equipment at his place the morning of the 15th. Details to come. On the 22nd, Brian's celebration of life will be held at the Okeeheelee

Nature Center, the same place the Palm Beach County woodturners meet up, in the afternoon. The standard monthly meeting will be held in the morning.

Stay safe, and Happy Turning!

TWC Member Meeting

Minutes June 13, 2026

Meeting was called to order at 9:20.

Jeremy was recognized as a visitor.

Jullie announced that a bowl turning hands-on session would be held at Project Lift Saturday July18 @ 10:00.

Ken brought a truckload of bowl blanks and motion was made to pay him

\$250 for the wood, seconded and passed by voice vote.

Bowls were made available at \$2.50 and other wood at \$1.00 per piece. A motion to accept the June minutes was made, seconded and approved.

Julie handed out lists of committees and encouraged more people to volunteer. In particular, the A/V committee needs volunteers.

The club expects to participate in the Heathcote Fall plant sale on Oct 17 and 18.

The September 12 meeting will be the annual lunch and Show-N-Tell starting at 11:00, Bring a guest and a dish to share. The club will provide chicken. The Hospitality Committee will organize this event.

Gary inquired about opportunities for the club to exhibit and sell woodturned items. This raised a variety of responses that included the Heathcote shows and individual opportunities and related costs.

Show-N-Tell featured many interesting items.

Ken brought examples of his inlaid bow via a Show-N-Tell examples. He then demonstrated basic bowl techniques.

The attendance was 21 persons.
